#### **PREFACE**

The Bail on me has not been lifted and I am still being pursued by the State Authorities despite the overwhelming evidence that I am mentally ill in terms of paranoid schizophrenia. It is avoiding the psychiatric reports from Britton House, who have been under the thumbs of the authorities for years when it came to dealing with me.

On 30 December 2023, a Saturday I made representations as linked here:

https://www.knowledgeassessmentanddissemination.com/post/malicious-communications-charge-allegation

https://www.knowledgeassessmentanddissemination.com/post/auto-reply-from-north-kent-magistrates-court-kentcpo-responded-to

https://www.knowledgeassessmentanddissemination.com/post/re-new-website-design https://www.knowledgeassessmentanddissemination.com/post/re-screenshot-need https://www.knowledgeassessmentanddissemination.com/post/refund-notification3

I video called Jill Jesson at 18.32 pm on WhatsApp: 'She first said 'Don't ring me. I said, 'Has Kent Police asked for a psychiatric or psychotherapeutic report on me.?' She replied, 'No one has asked me for that.' I said, 'That is all I wanted to know.' The Call ended.

The State authorities have no clue how to resolve the application that I have made for damages and compensation for 26 years of police brutality, terrorism by Victims of Panigrahi Association, persecution for my religion of Vishista Advaita Vedanta, so they obstruct justice, dodge the due process of justice, and indeed pervert the course of justice.

**Kent Police** 

**Dear Sirs** 

Further on the attached Bail served on me Kent Police OFFICIAL Generated Date21Dec2023.docx, I enquired with my psychotherapist Jill Jesson of Vitali Chi whether she has been asked by Kent Police to issue a psychiatric/Mental Disorder of Split Mind diagnosis in addition to the Britton House Consultant Psychiatrist Care Plan as attached:

FrBrittonHouse(CAREPLAN\_DrEmmanuelOranusi)3July2023>12Jul2023.docx;

These give me intense difficulties in fathoming reality that I constantly probe through contacts with people that gives me the feeling of conspiracy theory that I am being persecuted by the State authorities/Establishment of the United Kingdom and the United States of America, as referred to you in the link here: Refund notification3 (knowledgeassessmentanddissemination.com) https://www.knowledgeassessmentanddissemination.com/post/refund-notification3

Jill Jesson on a Video call that I made to her at 18.32 pm this evening said that No one has asked for a Report from her.

I would urge you to do so that Court time is not wasted should Kent Police decide to charge me of the offence of Malicious Communications offence allegedly committed by me:

Jill Jesson's email address is jill@jilljesson.com

Information to suspects released on bail

Bail legislation is contained with the Police and Criminal Evidence Act 1984, as amended in 2017 & 2022.

If released on bail the following is applicable:-

- . You must surrender to custody at the date and time as specified above
- . You will be subject to an Applicable Bail Period (ABP). The ABP covers a period that you can be bailed within by the Custody Officer before it is reviewed to ensure the investigation is being dealt with diligently and expeditiously and to ensure that bail is still necessary and proportionate.
- . If initially you were released on bail before 28/10/2022 the ABP was authorised by a Police Inspector for 28 days. The ABP can be reviewed, and an extension for another three calendar months may be authorised on or before 28 days, by a Police Superintendent. Further extensions can be authorised at 3 calendar month intervals thereafter.
- . If initially you wre released on bail after 28/10/2022 the ABP was authorised by the Custody Officer for 3 calendar months. The ABP can be reviewed, and an extension for another 3 calendar months may be authorised, on or before 3 calendar months, by a Police Inspector. Further extensions can be authorised at 3 calendar months intervals thereafter.
- . If your case is being investigated by the Serious Fraud Office, or the Financial Conduct Authority, or HM Revenue and Customs, or National Crime Agency, the initial ABP for these dases is six months authorised by the Custody Officer. However, the police do not authorise extensions for these cases. This must be done by a designated officer for those agencies.
- . If your case has been immediately referred to the Crown Prosecution Service the ABP will not start unless they require the investigators to carry out further work.
- . You or your legal representative= will be informed of theintention to apply for an extension to the ABP either in person if at the police station or by your preferred means of contact. You will be asked if you want to make any representations either immediately if in person by return of post/email etc.
- . Early reviews will be conducted by relevant decision makers and later ones will be conducted by the Courts.
- . The ABP will be suspended for the time that the cas3e is sent back to the Crown Prosecution Service.
- . You will be informed of the decision and the relevant time and date of the end of your ABP.
- . You will also be informed of the actual date and time you are due to answer bail. This may be the same or a different time to the end of an ABP.
- . The consequence of all the above is that your bail date can be subject to several amendments. However a reasonable attempt will always be made to notify you of any changes, in writing to the address that you have provided to the police (or the preferred method of contact), and/or via your legal representative if you have one.

It is important that you notify OIC of any change of your address, your legal representative, or other point of contact, and that you provide us with any current phone numbers and email contact details. By doing so, we may be able to prevent you having to attend needlessly at a custody suite if we know (especially at short notice) that you have a new, later bail date or other information change (such as 'No Further Action'.

# Police Advisory Notice to Suspects

If you are involved in criminal proceedings, the following summary of potential offences is included for your information and awareness. The same offences will also be brought to the attention of any relevant victim or witness for their information. The list of offences is NOT exhaustive.

The purpose of this is to make clear to all involved parties that any unlawful, unnecessary or inappropriate contact between the suspect in a case (either directly or through a third party), and the victim or witness may constitute a criminal offence.

Any unlawful, unnecessary or inappropriate contact reported to the police, including any perception that this is the case, may result in arrests and prosecution of parties for any of the following offences

# Intimidation of witnesses, jurors & others

Under S.51 of the Criminal Justice & Public Order Act 1994 it is an offence to intimidate or threaten

by any means any person involved in the investigation of an offence relating to criminal matters.

In summary proceedings A fine and/or maximum six months imprisonment

On indictment A fine and/or maximum five years imprisonment

'Harassment'

Under S.2 of the Protection from Harassment Act 1997, it is an offence for a person to pursue a course of conduct which amounts to harassment of another, and which he/she knows or ought to know amounts to harassment of the other, or to persuade any person not to do something that they are entitled or required to do, or to do something that they are not under any obligation to do.

In summary proceedings A fine and/or maximum six months imprisonment

On indictment: A fine and/or maximum two years imprisonment

Please note that other, more serious, offences are also provided for under the Protection from Harassment Act 1997

Perverting the Course of Justice

Under Common Law, it is an offence to conspire, act or embark upon a course of conduct which has a tendency to, and is intended to pervert, the course of public justice.

Some of the ways where conduct is capable of amounting to this offence is by making false allegations, perjury, concealing offences, obstructing the police, assisting others to evade arrest, failing to prosecute, interfering with witnesses/evidence/jurors, and publication of matters calculate to prejudice a fair trial.

On indictment: Maximum LIFE imprisonment

# **Postal Charging**

This leaflet explains Postal Charging and answers some questions you may have.

What is Postal Charging?

This is a method of bringing an offender before a court for prosecution.

It means that you could be charged and required to attend court by post without returning to a police station.

Can I be charged by post?

If you have been in police custody and you are granted unconditional police bail to return to a police station at a later date you may be charged by means of a 'postal charge' if a decision is made to charge you.

How does it work?

If a decision is made to charge you at least 14 days before you are due to answer your bail you may receive a 'charge' and a 'requisition' to attend court through the post.

Will I still be on Police bail?

Once a postal charge and requisition has been issued you will no longer be on police bail for that offence.

What do I do if I receive a Postal Charge?

You will recxeive a charge/requisition form (MG4D). This will state the offence(s) with which you are charged. This will require you to attend court at a specified date and time.

If you fail to attend court when required a warrant will be issued for your arrest. If this happens, If this happens you may be held in custody until the next available court

\_\_\_\_\_

If you do not receive a postal charge or a bail cancellation notice you must answer your police bail at the date and time shown on your bail form.

#### Review:

I spoke to Shantanu via telephone for a scheduled appointment on 26/06/23. He described being in crisis over a period of time and has been arrested by police four times in the last 18 months. He said he was accused of stalking, malicious communications and harassment. He tells me that he attended Medway Police Station recently for further questioning. He believes that Trolls hacked into his email and were responsible for all the police have accused him of but the police are not having it. His laptop and phones were taken away by the police. He also informed me that he took the Greenwich University to tribunal and lost the case. He believes that the state is against him and want to repatriate him back to India but says he is not going anywhere as he will resist them.

He lives with his family and is unemployed. He is undergoing some therapy at the moment and that seems to be helping him to cope with current crisis. He is also planning for holidays with his family to Turkey and India. His appetite is good and sleeps about 4 to 6 hours at night and naps during the day. He smokes about 10 to 12 cigarettes a day but no alcohol of illicit drug use. He is complaint with meds and has not reported any side effects. He is willing to continue taking treatment.

On the phone, he sounded worried but was able to ventilate his mind. His speech was normal in rate and volume but content mixed with delusional ideas. In answer to my question he wondered whether it is because of his illness that he is reasoning the way he is. He described his mood as being up and down and most times feels depressed. He did not express suicidal ideas and there is no indication that he is physically harmful to anyone. In my view, the major risk is that of believing his delusional ideas and acting on them and also being vulnerable on the social media if he continues his exploits on the social media. His insight is limited and does appear to have capacity to consent on his treatment.

The suggested changes which he agrees with is as outlined above. GP to please adjust repeat prescriptions accordingly.

Yours sincerely

TCLP-UK is aghast at the news, as a clear signal that the climate emergency facing the planet is not given priority for sustainable development by the government of the United Kingdom in this manner. They want to look the other way as if nothing has been happening to the planet and its atmosphere, and the rest of the associated issues.

Hi there,

We're very sorry to hear about a poor experience you had with a company you found on Bark.

The overwhelming majority of customers' experiences on Bark are positive, and the professionals usually do an excellent job. That said, we recognise that with such a large volume of jobs being agreed on our platform, problems may arise on rare occasions.

We would like to note your complaint internally and escalate this user's account to be investigated by our escalations team. To assist with this, please can you provide us the following information:

What is the name of the company in question? Please provide any contact details you have for the company. How much of the work has been completed and to what standard? Have any funds been paid to the company, and if so, how much? Has the company attempted to resolve the issue? Any other details you would like to provide? Would you like this complaint to remain confidential?

Once we have this information, our escalations team will review the status of this user's account. Further action may be taken up to and including removal of their account from the Bark platform.

As we're not party to the eventual contract between you and your chosen professional, unfortunately, we cannot directly assist you in resolving this situation. Any agreement you have is between yourself and the professional concerned. Our role is simply to put you in touch with a professional in much the same way the Yellow Pages, Google or an advert in the paper would do.

Dear Bark

I have had time to reflect on this matter, and in light of the long-term chronic mental abnormalities that have afflicted me since my 40th year of existence: that the Consultant Psychiatrist has now diagnosed as paranoid schizophrenia, depression, bipolar with delusions, mood instablitity, autism with some kind of Personality Disorder. The last Consultant Psychiatriat that was released following two spells of rehabilitation in mental hospital under sectioning, the first in 2004,the second in 2008, is attached for your information:

FrBrittonHouse(CAREPLAN DrEmmanuelOranusi)3July202312July2023.docx.

It gives me total loss of control in not being able to fathom reality as I have explained to Kent Police as attached: ToKentPoliceEnquiries(Processing of the Malicious Communications allegation Matter by Kent Police\_Psychiatric&Psychotherapeutic Reports)30Dec2023.docx.

I have lost countless jobs due to this mental disorder over the past 26 years. I write erratically in a fantasy world of delusions that might appear to be malicious. But I did not send those obnoxious emails to educational establishments and the IOPC, BLM law staff, and bp that I am being held as a suspect on. The Katrina Sale Stalking allegation was engineered against me by trolls dressed as a fictitious unit calling itself Victim of Panigrahi Association (VOPA) who could not tolerate my social media investigative journalism on the internet and could not tolerate my fight for justice in being deprived of my £55,000 redundancy payment by the University of Greenwich in the October of 1998.

I am not vindictive, and Jill Jesson has put up with a lot from me, I want to put the record at Bark straight. Jill Jesson and Allen Jesson are highly honourable and respectable team serving the nation in Well Being and Health Care. It was my own mental state that gave rise to the complaint that I filed at Bark against her. She was not to blame for the misapprehensions that I had about the dubious WhatsApp text messages that I had suspected MI5/MI6 to be instrumental in arranging against me. The trolls seem to be the one who perpetrated this disruption of communications between the Therapist and the patient.

Jill Jesson has clarified that it is not Company policy to give refunds so I have to abide by her Policy in this regard.

All in all I withdraw my Complaint against Jill Jesson and Vitali-Chi

I am extremely sorry to have wasted everyone's time in my false accusations of a conspiracy against me that prevented me to have a face to face appointment with the Consultant Psychiatrist for over two hears and forced me to seek psychotherapy when the Samaritans also withdrew its emotional support from me in my suicidal state of distress and anxieties.

Please forgive me.

Yours sincerely

Hi there.

We're very sorry to hear about a poor experience you had with a company you found on Bark. The overwhelming majority of customers' experiences on Bark are positive, and the professionals usually do an excellent job. That said, we recognise that with such a large volume of jobs being agreed on our platform, problems may arise on rare occasions.

We would like to note your complaint internally and escalate this user's account to be investigated by our escalations team. To assist with this, please can you provide us the following information:

What is the name of the company in question?

Please provide any contact details you have for the company.

How much of the work has been completed and to what standard?

Have any funds been paid to the company, and if so, how much?

Has the company attempted to resolve the issue?

Any other details you would like to provide?

Would you like this complaint to remain confidential?

Once we have this information, our escalations team will review the status of this user's account. Further action may be taken up to and including removal of their account from the Bark platform.

As we're not party to the eventual contract between you and your chosen professional, unfortunately, we cannot directly assist you in resolving this situation. Any agreement you have is between yourself and the professional concerned. Our role is simply to put you in touch with a professional in much the same way the Yellow Pages, Google or an advert in the paper would do.

We can, however, provide some guidance you may find useful:

In general the majority of these cases can be resolved by talking through with the professional concerned.

If this doesn't work then Citizen's Advice has some guidance on what to do here:

https://www.citizensadvice.org.uk/consumer/somethings-gone-wrong-with-a-purchase/complain-about-a-service/

Trading standards may also be able to take further action.

Thanks again for bringing this to our attention, each and every customer complaint is reviewed and taken seriously.

Wishing you all the best in further resolving your issue.

#### Review

I spoke to Shantanu via telephone for a scheduled appointment on 26/06/23. He described being in crisis over a period of time and has been arrested by police four times in the last 18 months. He said he was accused of stalking, malicious communications and harassment. He tells me that he attended Medway Police Station recently for further questioning. He believes that Trolls hacked into his email and were responsible for all the police have accused him of but the police are not having it. His laptop and phones were taken away by the police. He also informed me that he took the Greenwich University to tribunal and lost the case. He believes that the state is against him and want to repatriate him back to India but says he is not going anywhere as he will resist them.

He lives with his family and is unemployed. He is undergoing some therapy at the moment and that seems to be helping him to cope with current crisis. He is also planning for holidays with his family to Turkey and India. His appetite is good and sleeps about 4 to 6 hours at night and naps during the day. He smokes about 10 to 12 cigarettes a day but no alcohol of illicit drug use. He is complaint with meds and has not reported any side effects. He is willing to continue taking treatment.

On the phone, he sounded worried but was able to ventilate his mind. His speech was normal in rate and volume but content mixed with delusional ideas. In answer to my question he wondered whether it is because of his illness that he is reasoning the way he is. He described his mood as being up and down and most times feels depressed. He did not express suicidal ideas and there is no indication that he is physically harmful to anyone. In my view, the major risk is that of believing his delusional ideas and acting on them and also being vulnerable on the social media if he continues his

exploits on the social media. His insight is limited and does appear to have capacity to consent on his treatment.

The suggested changes which he agrees with is as outlined above. GP to please adjust repeat prescriptions accordingly.

Yours sincerely

**Dear Sirs** 

Further on the attached Bail served on me Kent Police OFFICIAL Generated Date21Dec2023.docx, I enquired with my psychotherapist Jill Jesson of Vitali Chi whether she has been asked by Kent Police to issue a psychiatric/Mental Disorder of Split Mind diagnosis in addition to the Britton House Consultant Psychiatrist Care Plan as attached:

FrBrittonHouse(CAREPLAN\_DrEmmanuelOranusi)3July2023>12Jul2023.docx;

These give me intense difficulties in fathoming reality that I constantly probe through contacts with people that gives me the feeling of conspiracy theory that I am being persecuted by the State authorities/Establishment of the United Kingdom and the United States of America, as referred to you in the link here: Refund notification3 (knowledgeassessmentanddissemination.com) https://www.knowledgeassessmentanddissemination.com/post/refund-notification3

Jill Jesson on a Video call that I made to her at 18.32 pm this evening said that No one has asked for a Report from her.

I would urge you to do so that Court time is not wasted should Kent Police decide to charge me of the offence of Malicious Communications offence allegedly committed by me:

Information to suspects released on bail

Bail legislation is contained with the Police and Criminal Evidence Act 1984, as amended in 2017 & 2022.

If released on bail the following is applicable:-

- . You must surrender to custody at the date and time as specified above
- . You will be subject to an Applicable Bail Period (ABP). The ABP covers a period that you can be bailed within by the Custody Officer before it is reviewed to ensure the investigation is being dealt with diligently and expeditiously and to ensure that bail is still necessary and proportionate.
- . If initially you were released on bail before 28/10/2022 the ABP was authorised by a Police Inspector for 28 days. The ABP can be reviewed, and an extension for another three calendar months may be authorised on or before 28 days, by a Police Superintendent. Further extensions can be authorised at 3 calendar month intervals thereafter.

- . If initially you wre released on bail after 28/10/2022 the ABP was authorised by the Custody Officer for 3 calendar months. The ABP can be reviewed, and an extension for another 3 calendar months may be authorised, on or before 3 calendar months, by a Police Inspector. Further extensions can be authorised at 3 calendar months intervals thereafter.
- . If your case is being investigated by the Serious Fraud Office, or the Financial Conduct Authority, or HM Revenue and Customs, or National Crime Agency, the initial ABP for these dases is six months authorised by the Custody Officer. However, the police do not authorise extensions for these cases. This must be done by a designated officer for those agencies.
- . If your case has been immediately referred to the Crown Prosecution Service the ABP will not start unless they require the investigators to carry out further work.
- . You or your legal representative= will be informed of theintention to apply for an extension to the ABP either in person if at the police station or by your preferred means of contact. You will be asked if you want to make any representations either immediately if in person by return of post/email etc.
- . Early reviews will be conducted by relevant decision makers and later ones will be conducted by the Courts.
- . The ABP will be suspended for the time that the cas3e is sent back to the Crown Prosecution Service.
- . You will be informed of the decision and the relevant time and date of the end of your ABP.
- . You will also be informed of the actual date and time you are due to answer bail. This may be the same or a different time to the end of an ABP.
- . The consequence of all the above is that your bail date can be subject to several amendments. However a reasonable attempt will always be made to notify you of any changes, in writing to the address that you have provided to the police (or the preferred method of contact), and/or via your legal representative if you have one.

It is important that you notify OIC of any change of your address, your legal representative, or other point of contact, and that you provide us with any current phone numbers and email contact details. By doing so, we may be able to prevent you having to attend needlessly at a custody suite if we know (especially at short notice) that you have a new, later bail date or other information change (such as 'No Further Action'.

## Police Advisory Notice to Suspects

If you are involved in criminal proceedings, the following summary of potential offences is included for your information and awareness. The same offences will also be brought to the attention of any relevant victim or witness for their information. The list of offences is NOT exhaustive.

The purpose of this is to make clear to all involved parties that any unlawful, unnecessary or inappropriate contact between the suspect in a case (either directly or through a third party), and the victim or witness may constitute a criminal offence.

Any unlawful, unnecessary or inappropriate contact reported to the police, including any perception that this is the case, may result in arrests and prosecution of parties for any of the following offences

# Intimidation of witnesses, jurors & others

Under S.51 of the Criminal Justice & Public Order Act 1994 it is an offence to intimidate or threaten by any means any person involved in the investigation of an offence relating to criminal matters.

In summary proceedings A fine and/or maximum six months imprisonment
On indictment A fine and/or maximum five years imprisonment

'Harassment'

Under S.2 of the Protection from Harassment Act 1997, it is an offence for a person to pursue a course of conduct which amounts to harassment of another, and which he/she knows or ought to

know amounts to harassment of the other, or to persuade any person not to do something that they are entitled or required to do, or to do something that they are not under any obligation to do.

In summary proceedings A fine and/or maximum six months imprisonment

On indictment: A fine and/or maximum two years imprisonment

Please note that other, more serious, offences are also provided for under the Protection from Harassment Act 1997

Perverting the Course of Justice

Under Common Law, it is an offence to conspire, act or embark upon a course of conduct which has a tendency to, and is intended to pervert, the course of public justice.

Some of the ways where conduct is capable of amounting to this offence is by making false allegations, perjury, concealing offences, obstructing the police, assisting others to evade arrest, failing to prosecute, interfering with witnesses/evidence/jurors, and publication of matters calculate to prejudice a fair trial.

On indictment: Maximum LIFE imprisonment

## **Postal Charging**

This leaflet explains Postal Charging and answers some questions you may have.

What is Postal Charging?

This is a method of bringing an offender before a court for prosecution.

It means that you could be charged and required to attend court by post without returning to a police station.

Can I be charged by post?

If you have been in police custody and you are granted unconditional police bail to return to a police station at a later date you may be charged by means of a 'postal charge' if a decision is made to charge you.

How does it work?

If a decision is made to charge you at least 14 days before you are due to answer your bail you may receive a 'charge' and a 'requisition' to attend court through the post.

Will I still be on Police bail?

Once a postal charge and requisition has been issued you will no longer be on police bail for that offence.

What do I do if I receive a Postal Charge?

You will recxeive a charge/requisition form (MG4D). This will state the offence(s) with which you are charged. This will require you to attend court at a specified date and time.

If you fail to attend court when required a warrant will be issued for your arrest. If this happens, If this happens you may be held in custody until the next available court

If you do not receive a postal charge or a bail cancellation notice you must answer your police bail at the date and time shown on your bail form.

Dear Bark

I have had time to reflect on this matter, and in light of the long-term chronic mental abnormalities that have afflicted me since my 40th year of existence: that the Consultant Psychiatrist has now diagnosed as paranoid schizophrenia, depression, bipolar with delusions, mood instability, autism with some kind of Personality Disorder. The last Consultant Psychiatrist report that was released following two spells of rehabilitation in mental hospital under sectioning, the first in 2004,the second in 2008, is attached for your information:

FrBrittonHouse(CAREPLAN\_DrEmmanuelOranusi)3July202312July2023..docx.

It gives me total loss of control in not being able to fathom reality as I have explained to Kent Police as attached: ToKentPoliceEnquiries(Processing of the Malicious Communications allegation Matter by Kent Police Psychiatric&Psychotherapeutic Reports)30Dec2023.docx.

I have lost countless jobs due to this mental disorder over the past 26 years. I write erratically in a fantasy world of delusions that might appear to be malicious. But I did not send those obnoxious emails to educational establishments and the IOPC, BLM law staff, and bp that I am being held as a suspect on. The Katrina Sale Stalking allegation was engineered against me by trolls dressed as a fictitious unit calling itself Victim of Panigrahi Association (VOPA) who could not tolerate my social media investigative journalism on the internet and could not tolerate my fight for justice in being deprived of my £55,000 redundancy payment by the University of Greenwich in the October of 1998.

I am not vindictive, and Jill Jesson has put up with a lot from me, I want to put the record at Bark straight. Jill Jesson and Allen Jesson are highly honourable and respectable team serving the nation in Well Being and Health Care. It was my own mental state that gave rise to the complaint that I filed

at Bark against her. She was not to blame for the misapprehensions that I had about the dubious WhatsApp text messages that I had suspected MI5/MI6 to be instrumental in arranging against me. The trolls seem to be the one who perpetrated this disruption of communications between the Therapist and the patient.

Jill Jesson has clarified that it is not Company policy to give refunds so I have to abide by her Policy in this regard...

All in all I withdraw my Complaint against Jill Jesson and Vitali-Chi

I am extremely sorry to have wasted everyone's time in my false accusations of a conspiracy against me that prevented me to have a face to face appointment with the Consultant Psychiatrist for over two hears and forced me to seek psychotherapy when the Samaritans also withdrew its emotional support from me in my suicidal state of distress and anxieties.

Please forgive me.

Yours sincerely

Hi there,

We're very sorry to hear about a poor experience you had with a company you found on Bark. The overwhelming majority of customers' experiences on Bark are positive, and the professionals usually do an excellent job. That said, we recognise that with such a large volume of jobs being agreed on our platform, problems may arise on rare occasions.

We would like to note your complaint internally and escalate this user's account to be investigated by our escalations team. To assist with this, please can you provide us the following information:

What is the name of the company in question? Please provide any contact details you have for the company. How much of the work has been completed and to what standard? Have any funds been paid to the company, and if so, how much? Has the company attempted to resolve the issue? Any other details you would like to provide? Would you like this complaint to remain confidential?

Once we have this information, our escalations team will review the status of this user's account. Further action may be taken up to and including removal of their account from the Bark platform.

As we're not party to the eventual contract between you and your chosen professional, unfortunately, we cannot directly assist you in resolving this situation. Any agreement you have is between yourself and the professional concerned. Our role is simply to put you in touch with a professional in much the same way the Yellow Pages, Google or an advert in the paper would do.

We can, however, provide some guidance you may find useful:

In general the majority of these cases can be resolved by talking through with the professional concerned.

If this doesn't work then Citizen's Advice has some guidance on what to do here:

https://www.citizensadvice.org.uk/consumer/somethings-gone-wrong-with-a-purchase/complain-about-a-service/

Trading standards may also be able to take further action.

Thanks again for bringing this to our attention, each and every customer complaint is reviewed and taken seriously.

Wishing you all the best in further resolving your issue.

Dear Sir/Madam

Please refer to the Appeal proceedings as linked here: APPEAL AGAINST CONVICTION AND SENTENCING: 10 NOVEMBER 2023, 2 PM TRIAL (knowledgeassessmentanddissemination.com) <a href="https://www.knowledgeassessmentanddissemination.com/post/appeal-against-conviction-and-sentencing-10-november-2023-2-pm-trial">https://www.knowledgeassessmentanddissemination.com/post/appeal-against-conviction-and-sentencing-10-november-2023-2-pm-trial</a>

Following conversations with my psychotherapist Jill Jesson, as follows: At 10.04 am I texted Jill Jesson: 'Well, Jill I followed your advice and stated the truth/'

Jill Jesson replied at 10.05 am: 'Thank you'
At 10.07 am I texted Jill Jesson: 'I was suicidal last night and this morning.'

Then I waited for a response from Kent Police to the linked summary of developments today: <a href="https://www.thelibertariandemocrats.com/forum/diary-of-the-author/31-december-2023-14-12-pm-uk-time">https://www.thelibertariandemocrats.com/forum/diary-of-the-author/31-december-2023-14-12-pm-uk-time</a>

Still Kent Police would not lift the Bail on me currently set for appearance in Medway Police Station on 16 March 2023 1700 hours on alleged Malicious Communications on which I only remain a suspect as I write.

I texted Jill Jesson at 15.03 pm: 'Your advice fell on deaf ears, I should have known.'

Jill Jesson did not reply.

I texted Jesson again at 15.05 pm: 'The only language Kent Police understand is court action.'

Jill Jesson still did not reply.

It makes me very concerned that there has for a very long time been an organised conspiracy against me to deprive me of justice involving inter alia HMRC as attached: HMRC Document received in the post 21 Dec 2023.docx.

Yours sincerely

At 9.35 am I dialled 0300 303 3189 and spoke to the receptionist saying that I am returning a call. She took my name details and put me through to the person who called: I immediately said that the aripiprazole that I have been taking since Dr Oranusi introduced into my schedule is making drowsy and we are going on holiday so could he switch it back to risperidone. I spoke to my GP Dr Mwanche about it but he said that only a Psychiatrist from Britton House can do the change over. We had a party on New Years eve and I could not stay awake. She said 'You have a face-to-face appointment at 3.45 or so pm today. I replied I do not know about this appointment. I never received a letter. I am busy this afternoon. Send me a letter of appointment.

She said that Dr Oranusi will telephone you at 3 pm today to discuss it.

The landline rang again and Rashmi took it calling me to the Phone. I went to the Phone. It was another woman from Britton House, I said I just spoke to your colleague and explained. The call ended in a short conversation.

At 9.35 am I dialled 0300 303 3189 and spoke to the receptionist saying that I am returning a call. She took my name details and put me through to the person who called: I immediately said that the aripiprazole that I have been taking since Dr Oranusi introduced into my schedule is making drowsy and we are going on holiday so could he switch it back to risperidone. I spoke to my GP Dr Mwanche about it but he said that only a Psychiatrist from Britton House can do the change over. We had a party on New Years eve and I could not stay awake. Send me a letter of appointment.

She said that Dr Oranusi will telephone you at 3 pm today to discuss it.

The landline rang again and Rashmi took it calling me to the Phone. I went to the Phone. It was another woman from Britton House, I said I just spoke to your colleague and explained. The call ended in a short conversation.

I am waiting to know if the legal process has now been completed as linked here: zoom 11.30 today2 (knowledgeassessmentanddissemination.com) <a href="https://www.knowledgeassessmentanddissemination">https://www.knowledgeassessmentanddissemination</a> .com/post/zoom-11-30-today2

As regards the telephone call that is pending from Britton House, I will answer it only if the legal process has now been completed. Please send me your concerns in writing in the post as advised by my psychotherapist Jill Jesson whom I trust with my welfare and not Britton House.

At 16.20 pm with no phone calls coming from Britton House at 3.00 pm nor at 3.45 pm, I telephoned Britton House 300 303 3189 when the phone appeared to show a call coming in but when I pressed to talk it was frozen. I spoke to the receptionist that I was expecting a call from Dr Oranusi at 3.00 pm. She said He is having problems with his phone. I said that he must deal with the aripiprazole to risperidone changeover as it is very urgent.

Then I saw a Voicemail message on my phone and It was from Dr Oranusi who spoke in a garbled manner that I could not make out. So I dialled Britton House again and said the receptionist that Dr Oranausi had left a Voicemail so it must be working now. Could you put me through to him. She said that he will get the message, I requested the receptionist to send Dr Oranusi an email as it is very urgent. The call ended.

At 16.22 there was another phone call from Britton House that went as a Missed Call.

I phoned again at 16.35 and Dr Oranusi came on line. He introduced himself. Then a lady came on line. She asked Can you hear me. I said No. I cut off the line as it was a group Session and not a one-to-one appointment with Dr Oranusi.

At 17.20 I dialled 0300 303 3189 accidentally and on realising this terminated the Call.

**KMPT PALS** 

At 9.35 am I dialled 0300 303 3189 and spoke to the receptionist saying that I am returning a call. She took my name details and put me through to the person who called: I immediately said that the aripiprazole that I have been taking since Dr Oranusi introduced into my schedule is making drowsy and we are going on holiday so could he switch it back to risperidone. I spoke to my GP Dr Mwanche about it but he said that only a Psychiatrist from Britton House can do the change over. We had a party on New Years eve and I could not stay awake. She said 'You have a face-to-face appointment at 3.45 or so pm today. I replied I do not know about this appointment. I never received a letter. I am busy this afternoon. Send me a letter of appointment.

She said that Dr Oranusi will telephone you at 3 pm today to discuss it.

The landline rang again and Rashmi took it calling me to the Phone. I went to the Phone. It was another woman from Britton House, I said I just spoke to your colleague and explained. The call ended in a short conversation.

I am waiting to know if the legal process has now been completed as linked here: zoom 11.30 today2 (knowledgeassessmentanddissemination.com)

https://www.knowledgeassessmentanddissemination.com/post/zoom-11-30-today2

As regards the telephone call that is pending from Britton House, I will answer it only if the legal process has now been completed. Please send me your concerns in writing in the post as advised by my psychotherapist Jill Jesson whom I trust with my welfare and not Britton House.

## 17.27 pm (UK-Time) 2 December 2024

At 19.18, I was stuck and had to get myself released. I first sent a text message on WhatsApp to Jill Jesson: 'I was just logging into Zoom link at 11.31 to see if you had go this email and text. But there you were.'

Dear Sir/Madam

At 16.20 pm with no phone calls coming from Britton House at 3.00 pm nor at 3.45 pm, I telephoned Britton House 300 303 3189 when the phone appeared to show a call coming in but when I pressed to talk it was frozen. I spoke to the receptionist that I was expecting a call from Dr Oranusi at 3.00 pm. She said He is having problems with his phone. I said that he must deal with the aripiprazole to risperidone changeover as it is very urgent.

Then I saw a Voicemail message on my phone and It was from Dr Oranusi who spoke in a garbled manner that I could not make out. So I dialled Britton House again and said the receptionist that Dr Oranausi had left a Voicemail so it must be working now. Could you put me through to him. She said that he will get the message, I requested the receptionist to send Dr Oranusi an email as it is very urgent. The call ended.

At 16.22 there was another phone call from Britton House that went as a Missed Call.

I phoned again at 16.35 and Dr Oranusi came on line. He introduced himself. Then a lady came on line. She asked Can you hear me. I said No. I cut off the line as it was a group Session and not a oneto-one appointment with Dr Oranusi.

At 17.20 I dialled 0300 303 3189 accidentally and on realising this terminated the Call.

It is necessary for me to investigate this matter further as it is a very serious matter since Britton House do not give me their email address; so I would like your response to whether in fact you passed on the email that I sent to you to Britton House as linked here:

Hi Shantanu,

I noticed we are both in the same Food Manufacturing Industry Group, I've been helping others in the sector and thought this could be of value as a potential opportunity...

By helping companies in your industry gain access to fully funded / no CAPEX solar energy I've allowed them to save up to 40%+ on their energy bills and improve their green credentials.

Maybe now isn't a time whereby you are thinking about lowering energy bills but if it is of interest I'd love to share more and invite a short conversation.

At 9.11 am (UK-Time) I dialled 0300 303 3189 asking for the Community Mental Health Team and spoke to the receptionist. I said Good morning Madam. This is Shantanu Panigrahi. Yesterday there was a lot of confusion with Dr Oranusi with phones not working and so on so is it possible that I

could come over to Brittion House today and get it all sorted out. She said Dr Oranusi works from home on Wednesday. I said I am very agitated and so could you ask him to telephone me from home for I need some counselling. She said that Dr Oranusi cannot give you any counselling. She said she would send him an email with my request. OK I said. The conversation ended.

I had started the morning by tracking down Md Arafatul Islam on WhatsApp from the WhatsApp number on his email, and located him in Bangladesh:

At 7.00 am I texted Arafatul Islam 'Hello, I got your email this morning and replied.'

At 7.13 am Arafatul Islam, 'texted 'Hi How are you'

At 8.10 am I texted Arafat Islam: Hell0, Mr Riyaz Ahmad wants to know how you are getting on.'

At 8.15 am, Arafatul Islam texted: Hi sir I am also fine.'

I rexted Arafatul at 8.22 am: I will let Riyaz know when I come across him next.

Arafatul texted me at 8.30 am: 'Will you need any help.

I texted Arafatul at 8.34 am: 'Not at the moment.'

Arafatul Islam texted me at 8.35 am: OK sir, thank you need any help knock to me.

To Kent Police

**Dear Sirs** 

The relentless attacks on me is exasperating even to this morning because the terrorists are convinced that the Courts of the United Kingdom and the International Criminal Court will not come to my rescue from the incessant bombardment of international criminals as a War crime and a Crime against humanity as identified in the attachment: TO WHOM IT MAY CONCERN.pdf

Is this not something for the Security Services to round up the international criminals on?

Hello Allen

Thank you for your email. Hope you had a great day full of joy with your family, friends and other associates. Give my regards to Jill. Tell her that I will be in touch soon but not on 2 January 2023 at 11.30 am. I am a bit short of money right now, as we spent £5000 on Faschia Plastics, £2000 on air tickets to India, besides which Easyjet having cancelled our flight back from Antalya in Turkey necessitating a booking at the last minute with an agent for Pegasus are not refunding the £1100 that we lost in the process, saying that we did not go through Easyjet itself. Quite unsatisfactory we think.

We need spending money for our India trip so when we return from India I will book a consultation with Jill Jesson.

Yours truly

Hello Allen

Thank you for your email. Hope you had a great day full of joy with your family, friends and other associates. Give my regards to Jill. Tell her that I will be in touch soon but not on 2 January 2023 at 11.30 am. I am a bit short of money right now, as we spent £5000 on Faschia Plastics, £2000 on air tickets to India, besides which Easyjet having cancelled our flight back from Antalya in Turkey necessitating a booking at the last minute with an agent for Pegasus are not refunding the £1100 that we lost in the process, saying that we did not go through Easyjet itself. Quite unsatisfactory we think.

We need spending money for our India trip so when we return from India I will book a consultation with Jill Jesson.

### **Update:**

At 16.59 pm published the email sent to HR Sainsburys in Daily Bulletin, tweeting and posting it on Vishista Advaita Sampradaya page of Facebook, so that in one minute the Courts and Kent Police, KMPT etc would have all the details to make a judgment:

https://www.knowledgeassessmentanddissemination.com/post/ask-hr-re-further-harassing-traps-to-get-me-into-legal-difficulties-received-this-morning

It had to be disposed of because I have the email from the Support Centre of the Law Society that I have acted upon, with no result from Medway County Court until now at least.

# 17.04 pm (UK-Time) 3 January 2024

At 18.13 the Mobile Phone rang very briefly from a Spam Caller dialling from 07451 288575.

# 18.19 pm (UK-Time) 3 January 2024

There was a mistake that I made in the earlier draft of this book uploaded in Libertaian Democracy in that the email to Sivanii copied to SRA and Medway County Court had not been correctly written which is on hindsight just as well. This I have now corrected but will not provide any update in Libertarian Democracy in view of this terrirising Spam call showing that legal process is not over.

Sure, I'll reach you through whatsapp then schedule a phone call or a Google Meet, zoom to do a brainstorming session & go from there.

Although our standard hourly rate for web development is \$25/hr, we prefer to offer customers a fixed price in clear installments to provide transparency to give you an estimated cost for your website development, we need to understand the scope of work to evaluate the cost and give you a ballpark price.

Also, given below are some of the websites we've designed in the past. These would help you gain a better understanding of our design style, attention to detail, and commitment to delivering visually appealing and user-friendly websites:

Do you not understand the legalities of publishing material in the United Kingdom: these have to be checked with the Law Enforcement authorities before on can proceed.

I am the Director of the Conservative Libertarian Publications Limited, registered at Companies House of the United Kingdom paying Corporation Tax to His Majesty's Revenue and Custom. I cannot form partnerships without first checking carefully with Kent Police as to who the citizens of the United Kingdom are dealing with when USA-based companies seek business opportunities here in the United Kingdom with your government's steadfast reluctance to sign a free-trade agreement with us.

I am not risking my Company's viability without expert advice being taken first given that I am under Bail to appear before Medway Police Station for allegedly being involved in some way on Malicious Communications.

The methods you and Krishna have been using are reprehensible. Rehman Chishti my local member of Parliament will do the necessary vetting of your company and its methods.

#### Hello Tide

Thank you for your offer of further assistance: but I do not think that in the way the Constitution of the United Kingdom works in the area of Law and Order with the free market operating, when there are injustices perpetrated against me and my Company, one just has to grin and bear it. The perpetrators have all the necessary skills to get the competition to their business disrupted to the point of seeing it dismantled if they can. but I have managed to keep The Conservative Libertarian Publications Limited above water with its current eBook production of 164 items. A sample of these books to whet your appetite can be found here:

Hello Abishai

Thank you for asking me to complete a feedback survey. We had our ups and downs that I put down to getting to know each other as Bank and customer in a complicated business environment that I am only just beginning to have fine-tuned. Earlier on during the first year of my association with Tide Bank I was paranoid that I may stumble across unknown dangers from elements of society wishing to disrupt my libertarian instincts because it goes against grain of a State that 'manages' the people, rather than let the creativity of citizens flow out in free spirit.

Now I am very happy that Tide Bank has proven to me that the Bank is on my side as I get on with the task of the diverse interests that I wish to perpetuate towards my philanthropy of making knowledge accessible to all of humanity.

So I will mark the survey down to extremely satisfied.

#### A review

I closed the book 'Dodging the Pursuit' without uploading the final 'Last Updated: 11.03 am (UK-Time) 4 January 2024' version and placed it as a closed matter in The Allurement of Reality in Review Shop.

At 11.21 am Dominc Facherty in Linkedin reponded to my introductory message a standard one that I had sent as prompted by LinkedIn: with Thanks Shantanu.

At 11.22 am: I responded with a Thums Up symbol to him, to indicate that if he wishes to talk only then will I engage.

Between 11.13 and 11.41 with other connections that I I had invited: I sent 'Thank you' messages to Ellie Taylor, Jamie Clough, Aashish J Mathew, Upender Reddy Kona, and Matthew Blagdon.'

I had planned to telephone His Majesty's Revenue and Customs (HMRC) this morning about the reason why I could not file my Company Tax Returns or so I told Tide Bank, but it is not advisable to start proceedings of that nature. The letter I received on 21 December 2021 from HMRC states in bold: 'Your Corporation Tax Payment for 2 April 2022 to 1 April 2023 is due by 2 January 2024.'.... I have contacted them about the problem so will wait and see if I get another letter from HMRC, for the first paragraph also states that 'If you do not contact us we'ii keep sending you reminders.'

The communication I sent HMRC was as follows:

**Dear Sirs** 

I have been trying to update my Accounts on receipt of your letter yesterday (21st December 2023) in the post typed out as attached: HMRC Document received in the post 21 Dec2023.docx.and had a query HMRC in relation to your communication to me attached: FHMRC RE: HMRC online support request UQFE-2668-BOQK)4Dec2023.docx to which no further emails had come from you

I went to Resume the account returns to bring it all up-to date ten minutes ago but was unable to enter the figures due to a technical problem on your website.

Hence until HMRC rectifies this problem, I as Director of the Conservative Libertarian Publications Limited will not be able to stick to the deadline set for me in your letter referred to above.

Please refer to the Appeal proceedings as linked here: APPEAL AGAINST CONVICTION AND SENTENCING: 10 NOVEMBER 2023, 2 PM TRIAL (knowledgeassessmentanddissemination.com) https://www.knowledgeassessmentanddissemination.com/post/appeal-against-conviction-and-sentencing-10-november-2023-2-pm-trial

Following conversations with my psychotherapist Jill Jesson, as follows: At 10.04 am I texted Jill Jesson: 'Well, Jill I followed your advice and stated the truth/'

Jill Jesson replied at 10.05 am: 'Thank you'
At 10.07 am I texted Jill Jesson: 'I was suicidal last night and this morning.'

Then I waited for a response from Kent Police to the linked summary of developments today: https://www.thelibertariandemocrats.com/forum/diary-of-the-author/31-december-2023-14-12-pm-uk-time

Still Kent Police would not lift the Bail on me currently set for appearance in Medway Police Station on 16 March 2023 1700 hours on alleged Malicious Communications on which I only remain a suspect as I write.

I texted Jill Jesson at 15.03 pm: 'Your advice fell on deaf ears, I should have known.'

Jill Jesson did not reply.

I texted Jesson again at 15.05 pm: 'The only language Kent Police understand is court action.'

Jill Jesson still did not reply.

It makes me very concerned that there has for a very long time been an organised conspiracy against me to deprive me of justice involving inter alia HMRC as attached: HMRC Document received in the post 21 Dec 2023.docx.

Information to suspects released on bail

Bail legislation is contained with the Police and Criminal Evidence Act 1984, as amended in 2017 & 2022.

If released on bail the following is applicable:-

- . You must surrender to custody at the date and time as specified above
- . You will be subject to an Applicable Bail Period (ABP). The ABP covers a period that you can be bailed within by the Custody Officer before it is reviewed to ensure the investigation is being dealt with diligently and expeditiously and to ensure that bail is still necessary and proportionate.
- . If initially you were released on bail before 28/10/2022 the ABP was authorised by a Police Inspector for 28 days. The ABP can be reviewed, and an extension for another three calendar months may be authorised on or before 28 days, by a Police Superintendent. Further extensions can be authorised at 3 calendar month intervals thereafter.
- . If initially you wre released on bail after 28/10/2022 the ABP was authorised by the Custody Officer for 3 calendar months. The ABP can be reviewed, and an extension for another 3 calendar months may be authorised, on or before 3 calendar months, by a Police Inspector. Further extensions can be authorised at 3 calendar months intervals thereafter.
- . If your case is being investigated by the Serious Fraud Office, or the Financial Conduct Authority, or HM Revenue and Customs, or National Crime Agency, the initial ABP for these dases is six months authorised by the Custody Officer. However, the police do not authorise extensions for these cases. This must be done by a designated officer for those agencies.

- . If your case has been immediately referred to the Crown Prosecution Service the ABP will not start unless they require the investigators to carry out further work.
- . You or your legal representative= will be informed of theintention to apply for an extension to the ABP either in person if at the police station or by your preferred means of contact. You will be asked if you want to make any representations either immediately if in person by return of post/email etc.
- . Early reviews will be conducted by relevant decision makers and later ones will be conducted by the Courts.
- . The ABP will be suspended for the time that the cas3e is sent back to the Crown Prosecution Service.
- . You will be informed of the decision and the relevant time and date of the end of your ABP.
- . You will also be informed of the actual date and time you are due to answer bail. This may be the same or a different time to the end of an ABP.
- . The consequence of all the above is that your bail date can be subject to several amendments. However a reasonable attempt will always be made to notify you of any changes, in writing to the address that you have provided to the police (or the preferred method of contact), and/or via your legal representative if you have one.

It is important that you notify OIC of any change of your address, your legal representative, or other point of contact, and that you provide us with any current phone numbers and email contact details. By doing so, we may be able to prevent you having to attend needlessly at a custody suite if we know (especially at short notice) that you have a new, later bail date or other information change (such as 'No Further Action'.

'Harassment'

Under S.2 of the Protection from Harassment Act 1997, it is an offence for a person to pursue a course of conduct which amounts to harassment of another, and which he/she knows or ought to know amounts to harassment of the other, or to persuade any person not to do something that they are entitled or required to do, or to do something that they are not under any obligation to do.

In summary proceedings A fine and/or maximum six months imprisonment
On indictment: A fine and/or maximum two years imprisonment

Some of the ways where conduct is capable of amounting to this offence is by making false allegations, perjury, concealing offences, obstructing the police, assisting others to evade arrest, failing to prosecute, interfering with witnesses/evidence/jurors, and publication of matters calculate to prejudice a fair trial.

On indictment: Maximum LIFE imprisonment

#### **Postal Charging**

This leaflet explains Postal Charging and answers some questions you may have.

What is Postal Charging?

This is a method of bringing an offender before a court for prosecution.

It means that you could be charged and required to attend court by post without returning to a police station.

Can I be charged by post?

If you have been in police custody and you are granted unconditional police bail to return to a police station at a later date you may be charged by means of a 'postal charge' if a decision is made to charge you.

How does it work?

If a decision is made to charge you at least 14 days before you are due to answer your bail you may receive a 'charge' and a 'requisition' to attend court through the post.

Will I still be on Police bail?

Once a postal charge and requisition has been issued you will no longer be on police bail for that offence.

What do I do if I receive a Postal Charge?

You will recxeive a charge/requisition form (MG4D). This will state the offence(s) with which you are charged. This will require you to attend court at a specified date and time.

If you fail to attend court when required a warrant will be issued for your arrest. If this happens, If this happens you may be held in custody until the next available court

If you do not receive a postal charge or a bail cancellation notice you must answer your police bail at the date and time shown on your bail form.

To Kent Police

Following the decision of North Kent Magistrates Court not to facilitate my Appeal against Conviction and Sentence with regard to the Speeding offence of 5 October 2022, discharged during a Trial of myself on 10 November 2023 2 pm (Case No Dr Panigrahi 2300074226/URN 46SJ1327123) as the final outcome of those proceedings; and simultaneously the reinstated Injunction against Kent Police that I undertook under Claim J00ME572 not bearing fruit, I am this morning reviewing what I can do and what I cannot do lawfully as attached: Developments from 4 January 2024.pdf. I concluded by 1.54 pm that I cannot engage in any further website development measures as the Director of The Conservative Libertarian Publications Limited and promote the sales of my business produced 164eBooks at my bookshop: <a href="https://theallurementofrealityinreview.com/shop">https://theallurementofrealityinreview.com/shop</a>.

In this regard I am told that I was exonerated of the alleged offence of Stalking Katrina Sale, but am still waiting for your letter of apology and due compensation from the several arrests made on this specific matter. That leaves the issue of the allegation of that I was suspected of perpetrating malicious communications to educational establishments, the Independent Office for Police Conduct, bp, staff of BLM Law, the Samaritans, the University of Greenwich and a member of staff of the Solicitors Regulation Authority, all of which I denied as untrue.

Yours sincerely

Dear Ashton

You have persevered for a very long time to get some business from me and had misterpreted those as intrusions to my libertarian way of life. I apologose for any misgivings that I harboured agaist Krishna and would take this opportunity to set the record straight.

To be frank, I do look for experts to cooperate with. I do hope your firm is one. From what I have gathered the State authorities do not consider that there should be any restrictions on partnerships between United Kingdom and Unites States companies.

The specific project partnership that I have in mind cocerns the listing of the 22 websites and 164 eBooks to come up on Page 1 of Google and all other major search engines when people search for 'Shantanu Panigrahi' It is easier for me to give you the link that summarises this:

Dear KMPTPALS

Further to our communications as below, nothing seems to have changed: I am still being terrorised by powers unknown and Kent Police as well as North Kent Magistrates Court (Case No Dr Panigrahi 2300074226/URN 46SJ1327123), Medway County Court (J00ME572) and the Court of Central London (E35YM660) simply ignore it so the dodging of justice continues as linked here: <a href="https://www.thelibertariandemocrats.com/forum/diary-of-the-author/5-january-2024-07-58-pm-uktime">https://www.thelibertariandemocrats.com/forum/diary-of-the-author/5-january-2024-07-58-pm-uktime</a>

On Wednesday, I telephoned Britton House to complain about this to Dr Oranusi but he was said to be working from home that day. The receptionist was going to send Dr Oranusi an email asking him to phone me urgently, and I have waited until now, with no telephone calls coming.

These gives me a lot of concern that highly corrupt practices are prevalent in Law and Order in the United Kingdom that I wrote to you about and which you acknowledged below.

I do need my aripiprazole changed to risperidone for our holiday in India will be ruined if this was not put into effect immediately.

Yours sincerely

I was lying down intensively worshipping God, then these two terrorising emails came that I did not know what to do about. I went to myGP to order medications from my GP Surgery and from the list of Prescriptions listed ordered all except aripiprazole. Then I tried to phone the Surgery to ask for 2 months supply of the ordered medications but no one answered the phone.

Dear Bark

I have had time to reflect on this matter, and in light of the long-term chronic mental abnormalities that have afflicted me since my 40th year of existence: that the Consultant Psychiatrist has now diagnosed as paranoid schizophrenia, depression, bipolar with delusions, mood instability, autism with some kind of Personality Disorder. The last Consultant Psychiatrist that was released following two spells of rehabilitation in mental hospital under sectioning, the first in 2004,the second in 2008, is attached for your information:

FrBrittonHouse(CAREPLAN DrEmmanuelOranusi)3July202312July2023.docx.

It gives me total loss of control in not being able to fathom reality as I have explained to Kent Police as attached: ToKentPoliceEnquiries(Processing of the Malicious Communications allegation Matter by Kent Police\_Psychiatric&Psychotherapeutic Reports)30Dec2023.docx.

I have lost countless jobs due to this mental disorder over the past 26 years. I write erratically in a fantasy world of delusions that might appear to be malicious. But I did not send those obnoxious emails to educational establishments and the IOPC, BLM law staff, and bp that I am being held as a suspect on. The Katrina Sale Stalking allegation was engineered against me by trolls dressed as a fictitious unit calling itself Victim of Panigrahi Association (VOPA) who could not tolerate my social mediat investigation journalism on the internet and could not tolerate my fight for justice in being deprived of my £55,000 redundancy payment by the University of Greenwich in the October of 1998.

I am not vindictive, and Jill Jesson has put up with a lot from me, I want to put the record at Bark straight. Jill Jesson and Allen Jesson are highly honourable and respectable team serving the nation in Well Being and Health Care. It was my own mental state that gave rise to the complaint that I filed at Bark against her. She was not to blame for the misapprehensions that I had about the dubious WhatsApp text messages that I had suspected MI5/MI6 to be instrumental in arranging against me. The trolls seem to be the one who perpetrated this disruption of communications between the Therapist and the patient.

Jill Jesson has clarified that it is not Company policy to give refunds so I have to abide by her Policy in this regard.

All in all I withdraw my Complaint against Jill Jesson and Vitali-Chi

I am extremely sorry to have wasted everyone's time in my false accusations of a conspiracy against me that prevented me to have a face to face appointment with the Consultant Psychiatrist for over two hears and forced me to seek psycotherapy when the Samaritans also witdrew its emotional support from me in my suicidal state of distress and anxieties.

Please forgive me.

Yours sincerely

Hi there,

We're very sorry to hear about a poor experience you had with a company you found on Bark.

The overwhelming majority of customers' experiences on Bark are positive, and the professionals usually do an excellent job. That said, we recognise that with such a large volume of jobs being agreed on our platform, problems may arise on rare occasions.

We would like to note your complaint internally and escalate this user's account to be investigated by our escalations team. To assist with this, please can you provide us the following information:

What is the name of the company in question?
Please provide any contact details you have for the company.
How much of the work has been completed and to what standard?
Have any funds been paid to the company, and if so, how much?
Has the company attempted to resolve the issue?
Any other details you would like to provide?
Would you like this complaint to remain confidential?

Once we have this information, our escalations team will review the status of this user's account. Further action may be taken up to and including removal of their account from the Bark platform.

As we're not party to the eventual contract between you and your chosen professional, unfortunately, we cannot directly assist you in resolving this situation. Any agreement you have is between yourself and the professional concerned. Our role is simply to put you in touch with a professional in much the same way the Yellow Pages, Google or an advert in the paper would do.

We can, however, provide some guidance you may find useful: In general the majority of these cases can be resolved by talking through with the professional concerned. If this doesn't work then Citizen's Advice has some guidance on what to do here:

https://www.citizensadvice.org.uk/consumer/somethings-gone-wrong-with-a-purchase/complain-about-a-service/

Trading standards may also be able to take further action.

Thanks again for bringing this to our attention, each and every customer complaint is reviewed and taken seriously.

Wishing you all the best in further resolving your issue.

You have persevered for a very long time to get some business from me and had misinterpreted those as intrusions to my libertarian way of life. I apologise for any misgivings that I harboured against Krishna and would take this opportunity to set the record straight.

To be frank, I do look for experts to cooperate with. I do hope your firm is one. From what I have gathered the State authorities do not consider that there should be any restrictions on partnerships between United Kingdom and Unites States companies.

The specific project partnership that I have in mind concerns the listing of the 22 websites and 164 eBooks to come up on Page 1 of Google and all other major search engines when people search for 'Shantanu Panigrahi' It is easier for me to give you the link that summarises this:

At 16.28 pm an international Call came from +1 606- 603-2930, from Ashton Richard that I did not answer.

Our landline phone then rang three times, and Rashmi was in the bathroom or she would have answered it and landed me in trouble.

This explanation just makes me more cautious than I have ever before been when dealing with international companies as there is no court to obtain redress from if they fail to conduct the work for which they are paid in advance, The attached experience is evidence that there are very powerful forces that have harnessed numerous web digital companies into targeting me and my company:

Information to suspects released on bail

Bail legislation is contained with the Police and Criminal Evidence Act 1984, as amended in 2017 & 2022.

If released on bail the following is applicable:-

- . You must surrender to custody at the date and time as specified above
- . You will be subject to an Applicable Bail Period (ABP). The ABP covers a period that you can be bailed within by the Custody Officer before it is reviewed to ensure the investigation is being dealt with diligently and expeditiously and to ensure that bail is still necessary and proportionate.
- . If initially you were released on bail before 28/10/2022 the ABP was authorised by a Police Inspector for 28 days. The ABP can be reviewed, and an extension for another three calendar months may be authorised on or before 28 days, by a Police Superintendent. Further extensions can be authorised at 3 calendar month intervals thereafter.
- . If initially you wre released on bail after 28/10/2022 the ABP was authorised by the Custody Officer for 3 calendar months. The ABP can be reviewed, and an extension for another 3 calendar months may be authorised, on or before 3 calendar months, by a Police Inspector. Further extensions can be authorised at 3 calendar months intervals thereafter.
- . If your case is being investigated by the Serious Fraud Office, or the Financial Conduct Authority, or HM Revenue and Customs, or National Crime Agency, the initial ABP for these dases is six months authorised by the Custody Officer. However, the police do not authorise extensions for these cases. This must be done by a designated officer for those agencies.
- . If your case has been immediately referred to the Crown Prosecution Service the ABP will not start unless they require the investigators to carry out further work.
- . You or your legal representative= will be informed of theintention to apply for an extension to the ABP either in person if at the police station or by your preferred means of contact. You will be asked if you want to make any representations either immediately if in person by return of post/email etc.
- . Early reviews will be conducted by relevant decision makers and later ones will be conducted by the Courts.
- . The ABP will be suspended for the time that the cas3e is sent back to the Crown Prosecution Service.
- . You will be informed of the decision and the relevant time and date of the end of your ABP.

- . You will also be informed of the actual date and time you are due to answer bail. This may be the same or a different time to the end of an ABP.
- . The consequence of all the above is that your bail date can be subject to several amendments. However a reasonable attempt will always be made to notify you of any changes, in writing to the address that you have provided to the police (or the preferred method of contact), and/or via your legal representative if you have one.

It is important that you notify OIC of any change of your address, your legal representative, or other point of contact, and that you provide us with any current phone numbers and email contact details. By doing so, we may be able to prevent you having to attend needlessly at a custody suite if we know (especially at short notice) that you have a new, later bail date or other information change (such as 'No Further Action'.

## Police Advisory Notice to Suspects

If you are involved in criminal proceedings, the following summary of potential offences is included for your information and awareness. The same offences will also be brought to the attention of any relevant victim or witness for their information. The list of offences is NOT exhaustive.

The purpose of this is to make clear to all involved parties that any unlawful, unnecessary or inappropriate contact between the suspect in a case (either directly or through a third party), and the victim or witness may constitute a criminal offence.

Any unlawful, unnecessary or inappropriate contact reported to the police, including any perception that this is the case, may result in arrests and prosecution of parties for any of the following offences

## Intimidation of witnesses, jurors & others

Under S.51 of the Criminal Justice & Public Order Act 1994 it is an offence to intimidate or threaten by any means any person involved in the investigation of an offence relating to criminal matters.

In summary proceedings A fine and/or maximum six months imprisonment On indictment A fine and/or maximum five years imprisonment

## 'Harassment'

Under S.2 of the Protection from Harassment Act 1997, it is an offence for a person to pursue a course of conduct which amounts to harassment of another, and which he/she knows or ought to know amounts to harassment of the other, or to persuade any person not to do something that they are entitled or required to do, or to do something that they are not under any obligation to do.

In summary proceedings A fine and/or maximum six months imprisonment
On indictment: A fine and/or maximum two years imprisonment
Please note that other, more serious, offences are also provided for under the Protection from Harassment Act 1997

## Perverting the Course of Justice

Under Common Law, it is an offence to conspire, act or embark upon a course of conduct which has a tendency to, and is intended to pervert, the course of public justice.

Some of the ways where conduct is capable of amounting to this offence is by making false allegations, perjury, concealing offences, obstructing the police, assisting others to evade arrest, failing to prosecute, interfering with witnesses/evidence/jurors, and publication of matters calculate to prejudice a fair trial.

On indictment: Maximum LIFE imprisonment

**Postal Charging** 

This leaflet explains Postal Charging and answers some questions you may have.

What is Postal Charging?

This is a method of bringing an offender before a court for prosecution.

It means that you could be charged and required to attend court by post without returning to a police station.

Can I be charged by post?

If you have been in police custody and you are granted unconditional police bail to return to a police station at a later date you may be charged by means of a 'postal charge' if a decision is made to charge you.

How does it work?

If a decision is made to charge you at least 14 days before you are due to answer your bail you may receive a 'charge' and a 'requisition' to attend court through the post.

Will I still be on Police bail?

Once a postal charge and requisition has been issued you will no longer be on police bail for that offence.

What do I do if I receive a Postal Charge?

You will recxeive a charge/requisition form (MG4D). This will state the offence(s) with which you are charged. This will require you to attend court at a specified date and time.

If you fail to attend court when required a warrant will be issued for your arrest. If this happens, If this happens you may be held in custody until the next available court

If you do not receive a postal charge or a bail cancellation notice you must answer your police bail at the date and time shown on your bail form.

To Magistrates North Kent Magistrates Court sitting at Medway Magistrates Court

Your Honour

This matter relates to the long-standing dispute that I have been embroiled in with Kent Police that enforced unlawful Bail conditions on me as a Hate crime that needs to be resolved as soon as possible by a Retrial as I had applied to Your Honour as linked here: APPEAL AGAINST CONVICTION AND SENTENCING: 10 NOVEMBER 2023, 2 PM TRIAL (knowledgeassessmentanddissemination.com) <a href="https://www.knowledgeassessmentanddissemination.com/post/appeal-against-conviction-and-sentencing-10-november-2023-2-pm-trial">https://www.knowledgeassessmentanddissemination.com/post/appeal-against-conviction-and-sentencing-10-november-2023-2-pm-trial</a>

Kent Police cannot be allowed to keep me indefinitely on tenterhooks, permanently keeping my life on hold while they fish for reasons as to why I should not be allowed to get on with my social media investigative journalism as a whistle blowing Hoax Slayer vigilante exposing criminals through the modern era of the internet scammers.

The Appeal for a Retrial must proceed or Your Honours full written reasons need to be provided to me as to why no progress is being made.

Yours sincerely

I dialled +1 606-603-2930 thinking it was your personal telephone number, but there was no one to take the call. I left my name Shantanu Panigrahi from the United Kingdom.

What would be the methodology here: would we need to email Google, Bing etc?

Yours sincerely

Your Reference:

You can whatsapp me on 955-571-8968. I am 24/7 available here.

After I sent him a text saying that he seemed not to want to send me a text message Mobile Phone rang from International Number and it was Ashton Richard: talked to him for 3-4 minutes. And he talked about having sent me a text on WhatsApp that I never received. I said I would look into it and get back in touch. I explored and texted and there was no records in my Phone, so I wrote to him that he seemed not to want to send me a WhatsApp text. He replied on email with a jpg screenshot. I replied that MI5 blocked me from receiving this text. I tried phoning him but after two-three rings the line cut off.

I sent a text to Jill Jesson during this exchange to where I had left of 'I will see you when we get back' and her "oK' to which I added 'in the court room.'
